“ Deepest condolences to all I met Sue when I was doing home therapy with Dale. I thought the world of both of them They were both amazing, inspirational, so many talents. To this day, I still have a poem she had given me called, *The Recluse*” and it has been on our refrigerator since the day she entrusted me with a piece of her. I also have a wooden cross that holds the poem on our frig and a wooden spoon, both made by Dale. I will treasure them forever. God has truly gained an amazing angel, she will brighten it up even more. My thoughts and prayers are with you. Tiffani Amerman-Hongsermeier
