“ *All I can think of when I hear Tina's name, is that she always made me smile. Whether it was with that laugh, or by being silly til we both laughed, or by just being like a big sister when I needed her. I will always cherish every memory. Like trying to talk Amber and Kyle into cleaning their room and somehow we ended up making cheesy broccoli potatoes and having a blast but nothing getting cleaned!!!! Love u always Tina!! My prayers and thoughts with all the family and all who knew and loved her.*
