“ Little did I know when you stopped by in August that would be the last time I would see you. I am so grateful that our last words were I love you. You grew into a sweet, sassy, giving, and loving woman. Rest in the arms of The Lord. Nancy.

“ “SUPERSTAR” not sure if you could see her gestures or the way she said it, it's so visual even til this day 🤔 I'm so sorry.. words are so hard sometimes but God uses words to give comfort. I'm praying for comfort and I thank God he was a priority in Tracey's life!!!

“ My condolences to the family. I can't imagine your heartache and I pray that you can find some comfort in the memories you share. I can't think of the words to accurately describe how sad I am to have lost such a dear friend. I've been in awe of Tracy from the very first day we met, at Raccoon School. Her spirit and her gives no "you know what" attitude will never be forgotten.
