

## Victor Manuel Velazquez

September 6, 2009 - September 3, 2023

Victor Manuel Velazquez, 13, of Centralia, gained his angel wings on September 3, 2023 peacefully at home with his family by his side.

Victor was born September 6, 2009 in Saginaw, MI, the son of Pablo Velazquez and Elizabeth Elizarraraz.

Victor is survived by his parents: Pablo and Elizabeth, brothers: Danny Aguilar and Brian Velazquez, sisters: Arizoni Evilsizer, and Juliet Velazquez, and uncle: Lucio Velazquez.

Victor was a great son, brother, and friend. He was known to always have a smile on his face. He loved the Minions. He was also known as a fighter, and fought his whole life while still keeping a big smile on his face. He had a great support system from his family, and the #VillageForVictorFamily.

Per the family's wishes, private family services will be held at a later date. In lieu of flowers, memorial donations can be made to Elizabeth Elizarraraz, and will be accepted at Sutherland-Garnier Funeral Home at 235 North Sycamore Street, Centralia, Illinois 62801, who is honored to be of service to the Velazquez family. Online condolences may be made to the family by visiting [www.sutherlandfuneralhome.com](http://www.sutherlandfuneralhome.com) or the Funeral Home's Facebook page.

*To my little ray of sunshine, it's been hard for me to post on here anything about your little one because not only were you my son you are my soulmate. You were the one thing that gave me so much love in life. I didn't have to explain much all I had to do is love you and take care of you and that's what mommy did. I want you to know that I know that you're in heaven watching down on me and also sometimes I have good days and I have bats, but you were the best little baby boy that I could've ever asked for in my whole life. I know you're in heaven I know you're at peace. I know that you are with the ones that needed you the most you gave me what I needed here on earth love compassion understanding you let me love others that I could've never loved before because I seen them through your eyes. I love you, baby boy mommy loves you so much Mommy can't wait to see you again.*
