“ So sorry to hear of your loss. I sure did love both of your parents. Your mom was always proud of her children and Grandchildren. And Walter was Walter I always loved talking to him. I always reminded them that good children were a real blessing. I have some wood from your dad it is called 1/4 sawn. I had to explain how to cut it on his mill. I feel like it is dry enough and I'm going to make a piece of furniture with that when I get it done I will take a picture of it. May the Lord carry you through the tough times ahead. I wasn't able to come to the funeral today because Pam found out that she has shingles. They are on her arm so that is fortunate. It's hard for her to lift things. So I'll be helping her around the house. You are in my prayers Keith
